
ALL PORTS BULLETIN

From: Don Keefe, M.E.B.A. President

Date: May 6, 2010

Subject: Mike Nizetich – Final Voyage

It is with great sadness that we report the loss of a Union Brother – a wonderful father, husband and friend. M.E.B.A.'s Executive Vice President Mike Nizetich was a good person fighting a terrible disease. 48 years old is too young to die and our hearts go out to his wife Cindy and two school age children, Max and Nadia.

Nizzy was a Calhoon graduate who sailed for 16 years before going to work for the members as Patrolman in L.A. beginning in 2002. He was a San Pedro native and the son of an M.E.B.A. tugboat engineer. He was committed to the labor movement and active in his community.

As this sad news sinks in, please keep your thoughts and prayers with Mike and his family. Remember him as a true Union brother who deeply cared about the membership and used his position to strengthen the M.E.B.A.

We'll provide further details on funeral arrangements and where to send your condolences as information becomes available.
