4. Initiation Fee Agreement and Application Forms

You must sign an initiation fee agreement, complete the proper authorization and application for membership forms with all attached papers thereto. The application must be reviewed and witnessed by a Union representative of the District and filed with the District Headquarters for a District Investigating Committee (DIC) review.

5. Service Charges

You agree to pay the regular service charge quarterly and in advance during the period of your applicant status and thereafter if elected into membership. The current quarterly service charge is \$150 dollars per calendar quarter and is subject to change. The current initiation fee is \$4,000 and its payment, etc., is covered in the initiation fee agreement.

6. Initial Payment of Service Charge

At the time you apply for membership, you must submit payment of one-quarter's service charge. The District in its discretion may reject your application making it null and void and without recourse. Your application for membership will then be null and void and notification will be mailed to you at your address of record. Service charge payments are not refundable.

7. Initial Status of Applicant

Upon acceptance of your authorization and application for membership, you will be classified as an applicant for membership under the District's deep-sea applicant for membership program.

8. Application for Group Card

In accordance with DEC policies and the shipping rules, your initial group shipping status will be Group III. A group shipping card will be issued to you at the time your applicant book is issued. An application for your applicant book and group shipping card may be made at any M.E.B.A. Branch office.

The openings in Group II are filled by oldest date of application. To be admitted into Group II, when there are openings, you must have on file with M.E.B.A. Headquarters 150 days of sailing time (as defined in the shipping rules) from the date of this application. Group II to Group I is generally by total sailing time when there are openings as determined by the District and without regard to date of application.

Any changes (including Group III to Group II and Group II to Group I) are governed by the shipping rules, which may be amended from time to time. All renewals of or changes in group shipping status will be in accordance with the shipping rules and DEC policy in effect at the time of renewal or change.

Any application being denied and deemed null and void by the District shall also immediately result in the revocation of all group shipping privileges.

9. Consideration for Membership

You must complete 200 days of sailing time after the date of application, not including vacation time. Have your initiation fee paid and two letters of recommendation turned in to Headquarters. Only days completed per Section 3 shall qualify.

Initiation fees must be paid in full. Regular service charges to the District must be paid for a minimum of two (2) years (eight quarters). Any other requirements must be completed. You must verify this information and submit same to the DIC at M.E.B.A. Headquarters. The local branch can assist you.

This will act as your request for a review of your application for membership. The DIC meets from time to time and your application for membership will be reviewed in turn and in accordance with the requirements contained in this fact sheet and further subject to all the requirements of all deep-sea applications for membership, unless modified herein. Any negative letters, letters not to recommend or facts contained in the file will be investigated and may delay the membership process or may result in your application being denied and being declared null and void.

The DIC will then issue a report with its recommendations to the membership to vote on at the regular monthly membership meeting. If you are accepted by the membership as a member, you will then be advised of your acceptance and you may apply for your membership book.

10. Failure to Complete Application Requirements

The stated purpose of this program is to obtain new members for the deep-sea bargaining unit. The Union therefore expects the applicant will complete all the requirements set forth in this program within five (5) years from the date of application and any failure to complete all the requirements will forfeit and void the authorization and application which was made by you for membership.

11. Effective Date of Application

The Date of Application shall be the date upon which the completed application is submitted to a Union Official to be reviewed and witnessed and filed with the District Headquarters for a District Investigating Committee (DIC) review.

For those individuals who through an immediate need of the Union are unable to complete the application before joining the M.E.B.A. contracted vessel. They may with a copy of the dispatch for the vessel, receipt for payment of the service fee from that quarter, certificate of discharge for the vessel showing completion of assignment and a signature and seal of a Union Official who is familiar with the assignment, have their Date of Application backdated to reflect the date of dispatch.
