### **Government Fleet Information Fact Sheet**

Attachment to the Application for Membership for those Applicants Applying for Membership under the Provisions of the Rules and Regulations of the Government Fleet Organizing Program of District No. 1-PCD, Marine Engineers' Beneficial Association, AFL-CIO. Full membership in District No. 1-PCD, Marine Engineers' Beneficial Association, AFL-CIO will be granted to you under the provisions of the District Government Organizing Program **without payment** of the Organization's Initiation Fee (\$4,000) under the following conditions:

- 1. You are employed as a licensed Marine Officer on a Government vessel.
- 2. You must complete the proper authorization and application for membership. The application should be reviewed and witnessed by an official of the District and filed with District Headquarters.
- 3. You agree to pay the regular service charge quarterly during the period of your applicant status and thereafter if elected to membership. The current quarterly service charge is \$150.00 per calendar quarter. Service charge/dues payments can be made at any Union hall or by using the online payment portal located at www.mebaunion.org/pay-your-dues/
- 4. The District Investigating Committee will review your application for membership. Your application will be processed immediately after the payment of the initial quarterly service charge. Without the initial payment, applications won't be processed until the SF-1187 form clears and automatic dues withholding goes into effect. If the District Investigation Committee, at its discretion, rejects your application, you will be so notified and any service charge payment will be refunded.
- 5. Upon acceptance of your authorization and application for membership, you will be classified as an applicant for membership under the District's Government Organizing Program. An applicant book will then be issued to you. An application for your applicant book may be made at any District No. 1-PCD, M.E.B.A., AFL-CIO branch office.
- 6. When you have completed 720 days of actual employment (not including vacation time) working under the authority of your license as a Marine Officer with vessels of the U.S. Government fleet and have paid the regular quarterly service charges to the District for a minimum period of two years (eight quarters), you should verify this employment and submit same to the District Investigating Committee. This will act as a request for review of your application for membership. At the same time, you should apply for a group shipping card. Current policies and rules would grant you a Group II shipping card. All renewals of group shipping cards will be in accordance with the shipping rules and District Executive Committee (DEC) policies in effect at the time of renewal. This may be done at any District No. 1-PCD, M.E.B.A., AFL-CIO branch office. The District Investigating Committee meets from time to time and your application will be reviewed in turn and in accordance with the requirements contained in this fact sheet and further subject to the requirements of all Deep Sea applicants for

membership, unless modified herein. The District investigating Committee will then issue a report with its recommendations to the membership. The membership votes to approve or reject applications at regular monthly meetings.

- 7. If you are advised of your acceptance as a member of District No. 1-PCD, M.E.B.A., AFL-CIO, you may then apply for your membership book. This and any application for a renewal or a change in group shipping card may also be made at any District No. 1-PCD, M.E.B.A., AFL-CIO branch office. **Note**: Membership and group shipping status are not the same. Membership is governed by the M.E.B.A. Constitution and By-Laws and group shipping status by the Shipping Rules.
- 8. If you elect to quit the U.S. Government Fleet, or your employment is terminated for reasons not related to union activity prior to completing the two years sea service (720 days as aforesaid) and, thereafter, seek or obtain employment aboard vessels covered by the District's agreements, you will then be required to file a new authorization and application for membership with the District under the then existing requirements for application for membership and at such time as applications are being accepted for membership; if you apply through this method, you will incur the standard initiation fee. The stated purpose of the Program is to organize the U.S. Government Fleets and strengthen the District in Fleets not already covered by our standard contract. The Union, therefore, expects that the applicant will complete the requirements set forth in the Organizing Program and any failure to complete the requirements will forfeit and void the authorization and application that was made by you for membership.
- 9. Unless, otherwise, specifically modified by this attachment to the application for membership, your application for membership is subject to all the rules, regulations, terms and conditions contained in the National M.E.B.A. Constitution, Constitution of District No. 1-PCD, M.E.B.A., By-Laws of District No. 1-PCD, M.E.B.A., Shipping Rules, and the Rules and Regulations promulgated by the National Executive Committee and/or the District No. 1-PCD, M.E.B.A. Executive Committee.
