Check the appropriate box below and follow the instructions for the situation:

- Issuance of a Group III Seniority Card to be filed with application for membership.
- Issuance of a Group III Seniority Card to a Group II individual who no longer meets the Group II sailing time requirements and has never been in Group I.
- Re-issuance of a Group III Seniority Card to a Group III individual whose card expired or will expire shortly.

Note: All Group III (as well as Group II) individuals should report sailing days as soon as they are earned to Headquarters using the Sailing Time Verification Form. As openings develop in Group II for Group III, individuals who qualify to move up will be on a list sent to all ports. Check these lists periodically. To qualify for Group II, you must have a combined total of 150 sailing days under an M.E.B.A. contract and qualified Calhoun M.E.B.A. Engineering School time for an original Group II Seniority Card or for re-admittance into Group II. When there are openings in Group II, the Group II quota will be filled by qualified Group III individuals (who have at least 150 combined sailing days) based on the oldest date of application. The total of all sailing days is used as a tie-breaker for individuals with the same date of application. Send all M.E.B.A.-contracted sailing days and qualified School time into M.E.B.A. Headquarters for processing using the appropriate form. Consult the Shipping Rules for an explanation of what constitutes sailing days.
