(a) Any member may submit his name for nomination for the offices of District President, District Executive Vice President-Branch Agent, San Francisco, District Secretary-Treasurer, Branch Agent, or for the job of Patrolman (where being elected) or any Representative of the National Convention by delivery in person, courier or any such service,

including email, that provides a certified time of receipt to both parties, of the communication addressed to the Credentials Committee in care of the District President at the address of Headquarters in Washington, D.C.

(b) The District President or his designee is charged with the safekeeping of these communications and shall turn them over to the Credentials Committee upon the Committee's request.

(c) The communication shall be dated and contain the following:

1. The full name of the candidate and, if he wishes, any special name to appear on the ballot.
2. His home address and mailing address.
3. A copy of his last dues receipt or proof of dues check-off.
4. The title of the office or other job for which he is a candidate, including the name of the Branch in the event the position sought is that of Branch Agent or Patrolman.
5. Evidence of employment time in the form of copies of Coast Guard discharges, vacation vouchers for appropriate years, pay vouchers, employment history from Plans, or communications from employers. Signature of Member: _____

Dated: _____

(d) Printed forms of the certificate shall be made available to nominees. Where a nominee cannot truthfully execute such a certificate, but in fact, is legally eligible for an office or job by reason of the restoration of civil rights originally revoked by such conviction or a favorable determination by the Board of Parole of the United States Department of Justice, he shall, in lieu of the foregoing certificate, furnish a complete signed statement of the facts of his case together with true copies of the documents supporting his statement.

(e) The communication must reach Headquarters in Washington, D.C., but not prior to the June meeting and no later than the July meeting of the election year.

Section 2. Credentials Committee. (a) A Credentials Committee of three members and two alternates who are in attendance shall be elected at the regular July meeting held in the following Ports: One member shall be elected at each of the meetings at the New York Branch, Houston Branch and San Francisco Branch and one alternate shall be elected at each of the meetings at the Norfolk Branch and Tampa Branch.

No officer or candidate for office or job shall be eligible for election to this Committee. The Committee's results shall be by majority vote with any tie vote being resolved by a majority vote of the membership at a special meeting called for the purpose at all Branches and Ports.

(b) After its election, the Committee shall go into session within five (5) days of the last July meeting. It shall determine whether the person has submitted his nomination correctly and possesses the necessary qualifications. The Committee shall prepare a report listing each nominee under the office or job he is seeking. Each nominee shall be marked "qualified" or "disqualified" according to the findings of the Committee. Where a nominee has been marked "disqualified" the reason therefore must be stated in the report. Where a tie vote has been resolved by a special meeting of the membership, that fact shall also be noted, with sufficient detail. The report shall be signed by all of the Committee members, and be completed and submitted to the Branches and Ports in time for the next regular meeting following the election of the Credentials Committee. At this regular meeting, the report shall be read and incorporated in the minutes, and then posted on the bulletin board in each Branch and Port.

(c) When a nominee has been disqualified by the Credentials Committee, he shall be notified immediately by e-mail (with read/delivery receipt) or overnight delivery service at the address listed by him in his nomination communication. He shall also be sent a communication containing the reasons for such disqualification by e-mail (with read/delivery receipt) or by overnight delivery service to the same mailing address. A disqualified nominee shall have the right to take an appeal to the membership from the decision of the Committee. He shall forward copies of such appeal to each Branch and Port where the appeal shall be presented and voted upon at a regular meeting not later than the first regular meeting after the Committee's election. It is the responsibility of the nominee to ensure timely delivery of his appeal. In any event, without prejudice to his written appeal, the nominee may appear in person or by telephone before the Committee within two days after the day on which the e-mail or notice is sent, to correct his nomination or argue for his qualifications.

In the case of a late or untimely nomination, such notification shall merely advise the reason for disqualification with no reference to appearing before the Committee.

The Committee's report shall be prepared early enough to allow the nominee to appear before it within the time set forth in these By-Laws and still reach the Branches and Ports in time for the first regular meeting after its election.

(d) A majority vote of the membership shall, in case of such appeals, be sufficient to overrule any disqualification classification by the Credentials Committee, in which event the one so previously disqualified shall then be deemed qualified.

(e) Each member of the Committee shall be paid at the rate of pay and reimbursed for legitimate out-of-pocket expenses as determined by the District Executive Committee unless otherwise ordered by a majority vote of the membership.

Section 3. Balloting Procedure. (a) The District President, subject to the approval of the District Executive Committee shall designate an Impartial Administrator to supervise the conduct of the election. The Duties of such Impartial Administrator shall include: the mailing of the ballots, overseeing a system that ensures the secrecy of and non-accessibility to the depository during the election, a secure ballot collection and tallying procedure with the Tallying Committee and to take such other measures as he may deem necessary to ensure a fair and impartial election. The impartial administrator shall also be responsible for the mailing of duplicate ballots on written requests from members. Written requests for duplicate ballots made to the M.E.B.A. shall be referred to the Impartial Administrator who shall retain records of all such requests.

(b) The District President shall ensure the proper and timely preparation of ballots without partiality as to candidates or Branches. The names of the candidates for each separate office or job shall appear in alphabetical order commencing with the first name under the first office and ending with the last named candidate under the last office. In the case of Branch Agents and Patrolmen, the Branches shall be listed in the following order: New York, Houston, San Francisco and the remaining Branches in alphabetical order.

The ballots may contain voting instructive comments not inconsistent with the provisions of these By-Laws.

(c) The ballots so prepared at the direction of the District President shall be the only official ballots. No others may be used. A sufficient amount shall be printed and distributed. A record of the ballots distributed shall be maintained by the District President.

(d) Ballots for District-wide elections must be cast by mail to a predetermined depository as provided in ARTICLE SIX, Section 1, secured and paid for by the District. Secrecy of the ballots must be ensured. No signature of any voter or other distinguishing mark shall appear on the ballot.

(e) No member's ballot shall be counted unless he is in good standing as of 15 days immediately preceding the closing of the balloting.

(f) Ballots shall be mailed to the membership on September 1st of the election year and must be returned to the depository and received therein at the time ballots are collected as provided in Section 4. If September 1st falls on a holiday, or on a Sunday, ballots shall be mailed on the next succeeding business day. Ballots should be returned to the depository by November 30 and ballots not received in the depository when the ballots are collected, as provided in Section 4 hereof, shall be disqualified and not counted.

(g) A member shall be entitled to make a written request of the Impartial Administrator for a duplicate ballot and receive the same provided he states in his letter that he has not received his ballot or that his ballot has been lost or mutilated so that it cannot be used. Duplicate ballots shall be counted unless the original and duplicate ballot mailed to a member are both cast, in which event neither ballot shall be counted.

Section 4. Ballot Collection, Tallying Procedure, Protests and Special Votes.

(a) A Tallying Committee of five members and one alternate who are in attendance shall be elected at a special meeting held in the Ports of New York, Tampa, Houston, Norfolk, Seattle and San Francisco one week prior to the December meeting of the election year. One member shall be elected at each of the meetings at the New York Branch, Norfolk Branch, Seattle Branch, Houston Branch and Tampa Branch and one alternate shall be elected at the meeting at the San Francisco Branch. No officer or candidate for office or job shall be eligible for election to this Committee.

The elected Tallying Committee of five members and the Impartial Administrator shall, on the morning of the regular December meeting, proceed to the depository and obtain all the ballots which shall be retained in the custody of the Tallying Committee and/or the Impartial Administrator until such time as the ballots are checked and counted.

(b) The Impartial Administrator and the Tallying Committee are charged with the tally of all the ballots and the preparation of a report setting forth in complete detail the results of the election, including a complete accounting of all ballots, and reconciliation of the same with rosters and verification lists of membership. The report shall clearly detail all discrepancies discovered and shall contain recommendations for the treatment of these discrepancies. The Impartial Administrator and all members of the Committee shall sign the report, without prejudice, however, to the right of any member thereof to submit a dissenting report as to the accuracy of count and the validity of the ballots, with pertinent details.

Each candidate, as well as the other members of the District, shall be entitled to be present as an observer at the tally of the ballots, provided that such observer must be a member of the District in good standing. Permitted non-members shall be limited to the Administrator and requisite staff members assisting the process.

(c) The Impartial Administrator and the Tallying Committee are also charged with the receipt and evaluation of written protests by any member who claims an illegal denial of the right to vote. If they find the protest invalid, they shall dismiss the protest and so inform the protesting member by email (with read/delivery receipt) or overnight delivery service on the day of dismissal. If they find the protest valid, the Impartial Administrator and the Committee shall permit such member on such terms as may be practical to cast his vote. The reports of the Impartial Administrator and this Committee shall include a brief summary of each protest received, the name of the protesting member, and a summary of the disposition of the said protest.

(d) The Impartial Administrator and the Tallying Committee shall commence their work on the day that the ballots are collected and shall complete their work as quickly as possible. The

reports of the Impartial Administrator and the Tallying Committee shall be filed no later than 24 hours following the completion of the count.

Each member of the Committee and the Impartial Administrator shall be paid at the rate of pay and reimbursed for legitimate out-of-pocket expenses as determined by the District Executive Committee, unless otherwise ordered by a majority vote of the membership. The proceedings of the Committee, except for the actual preparation of the Report and dissents therefrom, if any, shall be open to any member in good standing.

(e) A majority of the membership, at the election report meeting, may order a recheck and recount where a dissenting report has been issued by one or more members of the Tallying Committee.

(f) In the event of a tie vote for the office of District President, the District President shall, within 10 days, direct a run-off election among the candidates receiving the tie vote; and in the event of a tie vote for any other office, the membership at the next regular meeting shall, by secret ballot, vote on the candidates who received the tie vote. The candidate receiving the highest vote shall be deemed elected.

(g) All reports of the Impartial Administrator, the Tallying Committee and the District President under this Article shall be entered in the minutes of all Branches.

Section 5. Installation. (a) The person elected shall be that person having the largest number of votes cast for the particular office or job involved. Where more than one person is to be elected for a particular office or job, the proper number of candidates receiving the successively highest number of votes shall be declared elected. It shall be the duty of the District President to notify each individual elected.

(b) The duly elected District President, District Executive Vice President-Branch Agent, San Francisco, District Vice Presidents, District Secretary-Treasurer, Branch Agents, Patrolmen, and Representatives to the National Convention shall take over their respective offices and jobs, and assume the duties thereof at midnight December 31st. At that time, the terms of their predecessors shall expire. This shall not apply where the successful candidate cannot assume his office or job in all cases because he is at sea, or any other reason which the District Executive Committee shall determine as just cause, in which event the incumbent shall remain in office or job in all cases until the successful candidate assumes office or job in all cases. If he does not assume office or job in all cases within 90 days, unless such period is extended by the District Executive Committee for just cause, the line of succession shall apply until the expiration of the term. All other cases of failure to assume office or job in all causes shall be dealt with as decided by a majority vote of the membership.

(c) Before assuming office, every officer shall take the following oath: "I, ____, do hereby sincerely pledge my honor to perform the duties of my office as prescribed by the National Constitution and the By-Laws of this organization, and to uphold these Constitutions to the best of my ability. I will deliver to my successor in office all books, papers and other property of this District that may be in my possession at the close of my official term. Further, I do solemnly

swear (or affirm) that I am not a member of any organization which advocates the overthrow of the Government of the United States by force, violence or other subversive or unconstitutional methods, and during my term of office, I will not knowingly aid or support the activities of any such party or organization.

All this I solemnly promise with the full knowledge that to violate this pledge, is to stamp me as a person devoid of principle and destitute of honor."

(d) The District President is specifically charged with the preservation and retention of all election records, including the ballots, as required by law and is directed and authorized to issue such other and further directions as to the election procedures as are required by law, which directives shall be part of the election procedures of this District.

Section 4. (a) The Trial Committee after the hearing shall forward its full report to the Branch Agent of the Port where the trial has taken place.

(b) The Branch Agent shall cause such report to be presented and entered into the minutes at the next regular meeting. Such summary and the report of the Trial Committee shall be sent to each Branch in time for the next regular scheduled meeting.

Section 5. (a) A majority vote of the membership shall determine the disposition of the case and the penalty to be imposed if the charged person is held guilty.

Section 9. The decision of the Appeals Committee shall be by majority vote, and shall be in the form of findings and recommendations. Dissents will be allowed. Decisions and dissents shall be in writing and signed by those participating in such decision or dissent. (b) In no event shall increased punishment be recommended.

(c) A new trial shall be recommended if the Appeals Committee finds that any member of the Trial Committee should have been disqualified, or that the accused was not adequately informed of the details of the charged offense, which resulted in his not having been given a fair trial, or that for any other reason, the accused was not given a fair trial.

(d) If there is not substantial evidence to support a finding of guilt, the Appeals Committee shall recommend that the charge on which the finding was based be dismissed.

(e) The Appeals Committee may recommend lesser punishment.

Section 10. The Appeals Committee shall deliver its decision and dissent, if any, to the Washington, D.C. Section 1. Affiliates. To the extent permitted by law and the National Constitution, this District, by decision of the District Executive Committee unless otherwise directed by a majority vote of the membership, may provide for affiliation with it by individuals in a lesser capacity than membership, or in a capacity other than membership. The District Executive Committee, unless otherwise directed by a majority vote of the membership, may provide for the rights and obligations incident of such capacities or affiliations. These rights and obligations may include, but are not limited to (a) the applicability or nonapplicability of all or any part of these By-Laws; (b) the terms of such affiliation; (c) the right of the District to peremptory termination of such affiliation and, (d) the fees required for such affiliation. In no event may anyone not a member receive evidence of affiliation equivalent to that of members, receive priority of rights over members, or be termed a member.

Section 2. Disaffiliation by Affiliates. No affiliate of the District may secede or disaffiliate from the District without the approval of the District Executive Committee while there are seven (7) dissenting members of the affiliate.

To ascertain whether or not seven (7) members desire to retain their affiliate's status with the District, there shall be subtracted from the affiliate's complete membership list for the current month, the name of each member of the affiliate in good standing who has, during the current month, submitted to the District Secretary-Treasurer a personally signed, notarized, individual affidavit attesting to his or her desire to sever his affiliate's status with the District. Such affidavit shall be forwarded to the District Secretary-Treasurer in the month in which it was signed. It shall be conclusively presumed that all who have not executed such individual affidavits still desire to retain their affiliate's status with the District.

In the event of dissolution or disaffiliation, all properties, funds, and assets, both real and personal, of such affiliate acquired after the date of original affiliation with the District shall become the property of the District.

Section 3. Suspension of Affiliate's Autonomy. (a) *Suspension.* The District Executive Committee may suspend the autonomy of an affiliate if it finds after a hearing that such action is necessary for any of the following reasons:

(1) to prevent or correct corruption or financial malpractice; or

(2) to prevent any action which is disruptive of, or interferes with the performance of obligations of the District or other District affiliates.

(b) *Proceedings.* Proceedings under this Article may be instituted by the President or any member of the District Executive Committee, either on their own or at the request of officers or members of the District or a District Affiliate. Notice of the reasons for instituting the proceedings shall be sent to each of the officers of the affected District affiliate by certified mail, return receipt requested, at least ten (10) days prior to the date of the hearing.

(c) *Hearings.* The President, with the approval of the District Executive Committee, shall designate a panel of three (3) individuals, at least one of whom shall be a member of the affected affiliate, to conduct a hearing and report its findings to the District Executive Committee. The District Executive Committee may dismiss the proceedings, appoint an Administrator to supervise or assume the functions of any of the offices or committees of the affiliate involved, take control of its assets, administer all of its activities and affairs, or take such other action as may be necessary to achieve the purposes set forth in Section 3(a) of this Article. The District Executive Committee shall prescribe the extent and limits of the Administrator's authority over the activities of the affiliate and shall not give the Administrator any broader authority suspending or limiting the affiliate's autonomy than is necessary to achieve the above purposes.

(e) *Duration.* No appointment of an Administrator or other suspension or limitation of an affiliate's autonomy shall be effective for more than 180 days, provided, however, that the District Executive Committee may, after a new hearing, make a new order to be effective for a new period of 180 days. The new hearing and the new order shall be governed by Sections 3(b) and 3(c) above.

(f) *Elections.* If the appointment of an Administrator or other suspension or limitation of an affiliate's autonomy prevents the affiliate from conducting a regularly scheduled election, an election shall be held prior to the return to full autonomy. The election shall be conducted under the supervision of the District Executive Committee or its representative, following as nearly as practicable the affiliate's procedures for a regular election.

(g) *Emergency Appointments.* In the case of an emergency, where the President finds that the purposes set forth in Section 3(a) of this Article require immediate intervention before a hearing can be held and a decision by the District Executive Committee can be made, the President may appoint a temporary Administrator with such authority as may be necessary, until a hearing can be held and a decision made, but such an appointment shall not be effective for more than thirty (30) days. Action taken by the President may be appealed to the District Executive Committee on the grounds that it is unwarranted and is a clear abuse of power. Such an appeal shall be heard and decided by the District Executive Committee within ten (10) calendar days after the appeal has been filed.

(b) When a proposed By-Law amendment is accepted by a simple majority vote of all five DEC members but not unanimously, the decision of each member voting shall be reflected by a document and any dissenting opinion shall be included for presentation to the membership. When a proposed amendment is accepted by a majority vote of the membership, it shall be referred to Washington, D.C. Headquarters. A Constitutional Committee composed of five members shall be elected in accordance with such rules as are established by the District Executive Committee. The Committee will act on all proposed amendments to it. The Committee may receive whatever advice and assistance, legal or otherwise, it deems necessary. Our Creed

We, the members of the National Marine Engineers' Beneficial Association believe in the United States as a government of the people and for the people whose just powers are derived from the consent of the governed, a democracy in a republic, a sovereign national of many sovereign states, a perfect Union, one and inseparable, established upon these principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives.

We, therefore, believe it is our duty to our country to love it, to support its Constitution, to obey its laws, to respect its flag and to defend it against all enemies.
