

Updated, 12/6/24

Although all contractual requirements for M.E.B.A. Diagnostic Center Annual Physicals are expected to be eliminated in the next few months, they are currently still required for all Deep-Sea employers except for:

Except for:

- Norwegian Cruise Line
- Liberty Maritime
- APL Permanent Engineers
- APL - All Engineers (effective 1/1/25)
- Maersk (effective 1/1/25)
- Pasha (effective 1/1/25)
- Hapag/MTL (effective 1/1/25)
- Interlake (effective 1/1/25)
- Patriot Contract Services (effective 1/1/25)
- AMO & MM&P Pass-Through

NOTE: All mariners continue to need a valid USCG Medical Certificate that is good for the duration of their assignment.
