Dear M.E.B.A. Plans:

I, _____, am a member / applicant (*circle one*) in good standing of District No. 1-M.E.B.A. (AFL-CIO), as evidenced by my receipt No. _____, dated _____, 20____. I intend to retire and since I no longer intend to sail on my license, I do hereby request that my membership in District No. 1-M.E.B.A. be terminated.

I understand that I am terminating my current status in District No. 1-M.E.B.A. (AFL-CIO) but still can be considered for Union-represented employment should I meet those specific requirements. I understand that I am required to obtain the permission of the Trustees of the M.E.B.A. Pension Trust before returning to employment in the maritime industry if I wish to avoid the imposition of penalties as provided for in Section 2.07 and Section 2.09 of the M.E.B.A. Pension Trust Rules and Regulations.

I understand that a complete statement of my rights to return to covered employment is contained in the M.E.B.A. Pension Trust Rules and Regulations and the M.E.B.A. Pension Trust Summary Plan Description which I hereby acknowledge that I have received.

Fraternally,
